Our mission is to put Christian principles into practice through programs that build healthy spirit, mind and body for all.

Members ages 11+ can be on their own in the facility and use designated areas of the wellness center after completing YouthFit. YouthFit is a FREE program teaching exercise guidelines in a fun and informative way.

Safety is a priority at the Y. There is always a Manager on Duty in the building.

All members under 13 must take a swim test to enter the pool.
