Blood Pressure Self Monitoring Program

BPSM Program: Participants will work with trained healthy heart ambassadors for the duration of a 4 month program. During this time participants will be encouraged to: self measure BP, attend 2 personalized consultations per month, attend monthly nutrition education seminars.

Personal Training

Start your workout off right by working one-on-one with a certified personal trainer. An individualized program will be designed to help reach your health and wellness goals.

Personal Training Consultation

Start your fitness journey with a plan customized to your fitness goals and ability! YMCA members can register here for a FREE, one-on-one initial appointment with a personal trainer. You'll be contacted to set up your appointment where you can discuss goals for your individualized workout plan. Our trainers will teach you how to exercise safely with correct form and technique, maximizing results and keeping you accountable to your goals. The Y has a trainer for every style of workout, and every level. Sign up today and take the guesswork out of your routine and achieve your fitness goals faster!

Wellness Center & Equipment Orientations

In this 30-minute orientation session we will set you up on a circuit routine with our 8 eGym pieces of specialized weight training equipment. You will receive your own wrist band fob catered to your account that you will use each time you use the circuit.

Wellness Consultation

This 30-45 minute session with a Wellness Coach will allow you to explore and identify all the ways you can get involved with your membership to help with your health and wellness goals. We will also help identify next steps for you in your wellness journey

Wellness For Life Coaching Program

A 30-45 minute meeting with a wellness coach/director that will help you explore and identify all the ways you can get involved with your membership to help with your health and wellness goals. Take yourself to their next step at the Y.

Youth Fit

Learn about flexibility and how to use the cardio equipment
